Experience

Growth Studio Designer - Whiteboard
June 2025–Present

As Whiteboard's Growth Studio Designer, the work is a varied assortment: from simple production tasks, web redesigns, brand exploration and expansion, marketing campaign production, packaging design, and print work; the sustained creative production becomes the relationship for retention across Whiteboard's disciplines.

Design Intern - Whiteboard
Jan 2025–June 2025

Create mock-ups, visualize webpages, sequence publications and booklets; create production assets to be further developed by the Web Team; and assist other designers in secondary production work.

Art Editor - Sequoya Review
Dec 2023–April 2025

As Assistant Editor (23–24), I provided support with sequencing artwork for the 2024 journal. As Senior Editor (24–25), I collaborated with another designer to compile work and prepare formatting for the 2025 journal.

Shirt Designer - UTC Outdoors
Jan 2023–March 2025

Assisted Wall Lead with identity design for the annual *Battle of the Boulder* climbing competition.

Fine Arts Center Studio Monitor - UTC
Jan 2023–Jan 2025

Responsible for assisting students with printing technicalities, design decisions, craft, and ideation. Fulfilled duties of darkroom preparation, tidied up, and oversaw studio spaces.

Designer - UTC Advancement Office
May 2024–Aug 2024

Worked with both the Head of UTC's Art Department and UTC's Office of Advancement to provide a series of postcards for their annual *Light Upon a Hill* event.
